

Stand Guidelines – Auckland Boat Show 2027

This document outlines the stand guidelines and standard inclusions for each Auckland Boat Show display option, including Viaduct Events Centre stands, Pavilion 1 and Pavilion 2 stands, Charter Zone stands, and Marina spaces. Each section details the facilities, structures, services, and exhibitor allocations included with that stand type.

Viaduct Events Centre Stands

What is included in VEC stand fees

- Back wall and two side walls (black).
- Corner stands will include the back wall and one panel side wall (black)
- Half walls are available on request.
- All panels are 2.3m in height and black Velcro receptive material unless otherwise requested.
- Brace walls are essential for the stability of the stands. Please contact the Operations Manager (operations@nzmarine.com) if you need to discuss their location in your stand.
- Lighting - overhead LED lighting. Extra spotlights can be ordered through the exhibitor portal closer to the date
- Power - one 4 plug multi-board.
- Ground floor polished concrete.
- Allocation of exhibitor badges and complimentary one-day tickets (see below for quantity)
- Please note that the stand size may differ slightly from what is on the site plan due to return or stabilising walls. If you have custom-fitted signage, please discuss this with the Operations Manager (operations@nzmarine.com).

Pavilion 1 Stands

What is included in pavilion stand fees

- Back wall and two side walls (black).
- Corner stands will include the back wall and one panel side wall (black).
- Panels – 2.3m high, black Velcro receptive material.
- Lighting - overhead LED lighting. Extra spotlights can be ordered through the exhibitor portal closer to the show dates.
- Power – one 4-plug multi-board.
- No carpet (if you'd like to order flooring/carpet, please order through the portal).
- Allocation of exhibitor badges and complimentary one-day tickets.
- Please note that stand size may differ slightly from what is on the site plans due to return or stabilising walls.

Pavilion 2 Stands (on Wynyard Wharf)

What is included in exhibitor pavilion stand fees

- Back wall and two side walls (black).
- Corner stands will include the back wall and one panel side wall (black).
- Panels – 2.3m high, black Velcro receptive material.
- Lighting - overhead LED lighting. Extra spotlights can be ordered through the exhibitor portal closer to the show dates.
- Power – one 4-plug multi-board.
- No carpet (if you'd like to order flooring/carpet, please order through the portal).
- Allocation of exhibitor badges and complimentary one-day tickets.
- Please note that stand size may differ slightly from what is on the site plans due to return or stabilising walls.

Charter Zone Stands

What is included in charter zone stand fees

- Marina space
- Access to water stations, where possible
- Access and use of the charter zone pavilion (lounge space only, no walls for branding TBC)
- Allocation of exhibitor badges and complimentary one-day tickets
- Power can be ordered through the exhibitor portal.

Marina space

- Marina space
- Access to water stations, where possible
- Allocation of exhibitor badges and complimentary one-day tickets (see below for quantity)
- Please note that shore power is available to our exhibitors - please order this through the exhibitor portal as an extra.

For exhibitors that have Pontoon space:

If you'd like to add a marquee to your pontoon space, we can arrange a **Spring top Marquee**.

Please contact stacey@nzmarine.com for more information.
